

## 18-Year-Old Marilyn Sima Named 'Miss Lemon Grove'

Lemon Grove has chosen a five-foot, three-inch, 110 pound pretty teenager with dark hair to represent the community in the Miss San Diego beauty contest May 2 at El Cortez Hotel. She is Marilyn Sima, 18, daughter of Mr. and Mrs. Joseph Sima of 7655 Central Avenue, Lemon Grove. She was picked Saturday night from four contestants at the Miss Lemon Grove contest held at the Lemon Grove Junior High School.

Other contestants were: Judy Secor, 1966 Calle Entre; Lorie Breid, 1690 Colfax Drive; and Rosann Heidick, 2612 Nida Place, all of Lemon Grove. Although all the contestants were from Lemon Grove, girls in Spring Valley were also eligible.

Judges Bill Gikrist, Farrell Patton and Mrs. Tom Smith gave the nod to Marilyn after judging the girls on beauty, talent, poise and personality. Marilyn performed an accordion solo. Judy dressed a model's hair. Rosann gave a reading, and Lorie danced.

Carolyn Randall was Miss Lemon Grove last year. The new Miss Lemon Grove is a graduate of Mt. Miguel High School, class of '58, and is a secretary in the trust department of the First National Trust and Savings Bank in San Diego. She has been a resident of Lemon Grove for eight years. At Mt. Miguel High she was an assistant Associated Student Body commissioner, football princess in 1958, and a song leader. Her measurements are 33-24-35½. The Miss Lemon Grove contest was the first beauty contest she had entered.

Marilyn plans a trip to Hawaii in July with a girlfriend. And yes, fellows, she is "going

steady." The lucky guy is Jerry Lipscomb, a senior and star athlete at Mt. Miguel High. Jerry has been awarded a four-year scholarship at the University of Utah in Salt Lake City.

## Auto Hits Girl; Motorist Flees

A motorist Friday stopped to aid a little girl he knocked down with his small sports car and then drove away, according to the victim's parents. Fortunately, the girl, Karen Moore, 8, daughter of Mr. and Mrs. Gene Moore of 3745 Costa Bella, Lemon Grove, suffered only minor injuries.

She was crossing Golden Avenue and School Lane to meet her sister at school when she was struck down. The unidentified motorist stopped and picked her up before driving off, she said. She was taken by her mother to a private physician who treated her for minor injuries.

## Parker Gets Sales Manager Post At Pacific Telephone

Pacific Telephone this week announced the appointment of La Mesa exchange manager Bill Parker to the post of division sales manager. The move is effective immediately.

Succeeding Parker in La Mesa will be Dick Rose. Rose has been with the company since 1947. He started his career as a coin box collector in Los Angeles. His telephone activities were interrupted during 1950 when he was recalled to active military duty with the Air Force. He was returned to inactive military status in 1952, returning from Korea with the Distinguished Flying Cross, six Air Medals and four battle stars which accompanied five battle stars he won from duty in World War II.

Rose has been on management training assignments since his return to the telephone company. He moved to San Diego last summer as personnel supervisor when the Pacific Company established an area headquarters there.

Parker has been local manager since 1956. While heading the La Mesa exchange job he has assumed an important role in civic activities, currently serving as president of the Lemon Grove Chamber of Commerce, member of the board of directors of the La Mesa Chamber of Commerce and member of La Mesa Rotary Club. As a sideline he has also found time to teach a business organization and management course one night a week at San Diego State College.

Dick Rose

In his new position Parker will administer the activities of 69 employees of the San Diego division sales force which serves large business customers and arranges for installation of complex communications equipment throughout San Diego and Imperial counties.

## 100 Leaders In Workshop Meet

## Community Council To Result From Theatre-Juvenile Mess

More than 100 severely-concerned civic, church, school and youth leaders met Tuesday night at the Lemon Grove Junior High School cafeteria to discuss the sorry state of affairs at the Lemon Grove Ace Drive-In Theatre. They also decided to form a community coordinating council to further view the theatre problem and other problems of the community.

Five local items the Community Council will attack, in addition to the theatre problem, will be: youth recreation; sale of alcoholic beverages to juveniles; sale of pornographic literature and records; problems calling for adult guidance, and juvenile traffic safety.

Date of the next meeting will be announced in this newspaper.

An unwholesome picture of youthful indiscretions which have taken place at the theatre was related.

The meeting was an amalgamation of the Lemon Grove Ministerial Association's announced meetings and a continuation of a separate meeting called by area PTAs last week. Both groups had met to share in working at the problem created by youngsters committing nuisances at the theatre, climaxed by two Sheriff's Department's raids on the theatre within the past five months.

### MEETING ASKED

The Tuesday meeting was presided over by Pastor H. C. Bakken of the Lemon Grove Lutheran Church. The Rev. E. Walter Smith of the Lemon Grove Congregational Church, recited some of the indiscretions committed by youths attending the theatre. The Rev. Donald Cooke of the Lemon Grove Methodist Church, asked for a meeting between the theatre operators and a committee formed from the group to ask the theatre operators (Uptown Enterprises, Inc.) (1.) if they are aware of the problem they had brought to the community, and (2.) in event they acknowledged the problem, if they were willing to try to correct it.

The group then formed it's council, naming Pastor Bakken chairman. Five councilmen were chosen. These are Mrs. Betty Martin, representing PTAs; Frank Armstrong, representing the Youth Center; Marshall Adams, representing the Chamber of Commerce; Arthur Thom-

## Time Change Comes Again This Week

You've got to pay it back Sunday.

You've got to pay back that hour you've been sleeping away every day since the last Sunday in September.

Pacific Daylight Saving time goes into effect again Sunday.

The official time for the change-over is 2 a.m. when clocks should be moved ahead to read 3 a.m.

For those who have no need for being strictly official, you may set your clock ahead one hour at bedtime Saturday. When you awaken Sunday you'll be in time with the rest of the time zone.

CRUCIAL PITCH — Fence buster Mrs. Rose Mitchell, at bat, doesn't seem concerned that the count on her is two and three and pitcher Mrs. Al Papike, right, is about to deliver her best pitch. The all-in-fun ball game took place last week in the patio at the home of Dr. and Mrs. Donald Kelley, 4902 Crestland Drive, for the benefit of the photographer to publicize an upcoming dance May 2 at the Spring Valley Chamber of Commerce to raise funds for ex-

penses of the Lemon Grove-Spring Valley Pony League. From left, are umpire Mrs. Pete Luitjens, catcher Mrs. Kelley, Mrs. Mitchell, Mrs. Norris Westover (on deck to bat), Mrs. Paul Tuomainen, and Mrs. Papike. Mrs. Tuomainen is testing the muscles of a "Pony" player create by Mrs. Luitjens' husband, Pete. All women are chairmen of the league's committees planning the dance.

## The Dimmer View

by MAX GOODWIN

Meyer Zung, a Lemon Grove insurance man and investor who is presently carrying the weight of our nation's fiscal problems on his shoulders, is credited with this one, according to Bill Paul, manager of the U. S. National Bank here.

The national debt, according to Zung, can be wiped out, and inflation halted, in one fell swoop . . . and so simply, I'm ashamed to admit a lot of you failed to think of it sooner.

The Zung system is an inspired one. It calls for a national lottery with weekly prizes of ten million dollars, tax free. This one is easy to participate in. There are no tickets to buy, nothing to sign. Simply tear a dollar bill in half. Each half has a matching serial number. Mail one half to the U. S. Treasury Department. The other is your receipt.

Every week the half-bills are stirred up by the Treasury Department and several numbers are drawn. If you hold the matching serial number you win either the first prize of one million bucks, or a smaller amount, depending on how the ten million dollars is split.

Opines Zung: "I estimate that sixty million persons will take part in the event every week. This would leave a weekly profit of \$50 millions for the government. This would be applied to the national debt. Dollar bills destroyed in the process would take that many out of circulation, and halt inflation."

Not suggested, but certainly not to be overlooked, is a separate \$100-a-copy pool for big chance-takers who play the odds. I can see myself tearing a century note in half.

The REPORT CARD, publication of the California Teachers Association reports that the police department of Houston, Texas supplies the parents of youngsters who run afoul of the law with a copy of "Twelve Rules For Raising A Juvenile Delinquent."

The following, say Houston police, is proper care and feeding for the successful raising of a juvenile delinquent.

Begin with infancy to give the child everything he wants. He will grow up believing the world owes him a living.

When he picks up "bad" or "dirty" words, laugh so he will think he is "cute." He will run off and pick up some other words that will blow the top off your head.

Give him no spiritual training until he is 21, then let him decide for himself. By the same logic, never teach him the English language. Maybe when he is old enough he will want to speak Bantu.

Praise him in his presence to all the neighbors; show how much smarter he is than the neighbor's children.

Avoid the use of the word "wrong." It might develop in the child a guilt complex. This will prepare him to believe he is being persecuted when he is punished later for stealing cars.

Pick up everything after him: his shoes, his socks, his clothes. Do everything for him so he will be experienced in throwing burdens on others.

Let him read anything he wants. Have no concern for what goes into his mind. Provide him with Lily cups for his lips but let his mind drink out of any dirty container for words or ideas.

Quarrel frequently in the presence of your children. In this way they can be prepared for broken homes later on.

Give him all the spending money he wants; never let him earn his own.

Satisfy every craving of the child for food, drinks and everything that has to do with the sense of taste and touch, gratifying every sensual desire.

Take his part against policemen, teachers and neighbors. They are all "prejudiced" against your child.

When he gets into real trouble, always defend yourself and say, "I never could do anything with him."

## FIRST NATIONAL BANK STOCK SPLIT 2 FOR 1

A proposal to split, on the basis of two shares for one, the present 475,200 outstanding shares of common stock, par value \$10, and the sale of 105,600 additional shares of its new \$5 par value stock at \$26 per share, was authorized last week by the board of directors of The First National Trust and Savings Bank of San Diego.

Jack W. Koop, manager of the bank's Lemon Grove branch, said that at a meeting of the shareholders, immediately prior to the board of directors' meeting, the shareholders ratified the board's recommendation of March 25 to split the bank's stock.

Shareholders of record as of April 21 will receive rights to purchase the new stock on the basis of one new share for each nine shares held after the stock split, according to Koop. The rights will expire on May 11 at 3 p.m.

Funds available from the sale of the 105,600 additional shares will add \$2,800,000 to common stock, bringing the total to \$5,280,000 and \$1,972,000 will be used to increase the bank's surplus from \$5,248,000 to \$7,220,000. The additional proceeds from the sale will be added to undivided profits, said Koop.

## Schubert's 'Mass In G' Feature Of Concert Choir's Church Program

SOLOISTS—Bruce Edenfield, Celeste Loustalet and Pat O'Gara, left to right, will sing the benedictus from Schubert's "Mass in G" in the Mount Miguel High School's Concert Choir's program to be given Friday at the La Mesa Methodist Church.

The benedictus from Franz Schubert's Mass In G will highlight the Mt. Miguel High School Concert Choir's program Friday of this week at 8 p.m. in the La Mesa Methodist Church, Palm

and Lemon Avenues in La Mesa. Soloists for the varied program are Celeste Loustalet, Judy Taylor, Jackie Mouilleux, Pat O'Gara, Bruce Edenfield and Bob Whitaker.

Robert Boucher is director of the choir and Valeria Maschner is organist. Local 325 of the American Federation of Musicians has provided an orchestra, paid for by the trust funds of the recording industries.

Other numbers to be sung include "Create In Me, O God" by Brahms; "Grant Unto Me The Joy of Thy Salvation" by Brahms; "O God, Thou Art My God" by Lekberg. Also, a group of Negro spirituals including: "He's Got The Whole World In His Hands" and "Rock-a My Soul In The Bosom of Abraham."

The Concert Choir will travel to the University of Redlands for the Southern California Vocal Association Choral Festival May 1. By special invitation they will perform at Whittier College that morning en route to Redlands.

Another performance is scheduled for May 15 at the Southern California Vocal Association Choral Festival at Lincoln High School.

## THE SENATOR'S VIEW

BY HUGO FISHER  
California State Senator

Last week I introduced a bill at the request of State Treasurer Bert A. Betts, designed to save the state upwards of \$6,000 a year. The measure would allow the treasurer's office to change its procedure in keeping accounts on unredeemed coupons. Of course, \$6,000 in the overall cost of government does not seem like a great deal, but I believe we should take advantage of every opportunity to cut down.

What concerns me most in this situation is the fact that the treasurer's office had to come to the Legislature for authority to make a very small technical change in bookkeeping. Many of the bills introduced in the Legislature would allow small technical changes in procedures on the municipal and county levels and in various state departments. I am concerned that the Legislature is called upon in so many instances to legislate where the authority should be left with a governmental unit nearest the people.

### WORK BILL PASSES

The Legislature last week gave final passage to a bill to establish a Fair Employment Practices Commission in California, culminating a legislative campaign launched in 1945 by sponsors of the program.

The FEPC measure was a major plank in Governor Edmund G. Brown's legislative program. It was guided through the Senate, where final passage came on a vote of 30 to 5, by Senator George Miller Jr. (D), of Contra Costa County.

Governor Brown has announced that he will sign the bill as soon as it reaches his desk. At the same time the governor pledged that the commission will engage in no "witch hunts" and that "every effort will be made to resolve complaints quietly and without fanfare."

### WATER BILL PASSES

The Senate gave final passage to a bill dedicating the bulk of the State Investment Fund to financing of water project development. The measure will make about 170 million dollars immediately available for water projects, plus the continuing income to the fund. Revenues to the fund come from tideland oil royalties.

The Assembly passed and sent to the Senate two of the Governor's key revenue bills. One calls for a three cent per pack tax on cigarettes plus a 15 percent levy on other tobacco products, while the other boosts the state personal income tax in middle and upper brackets.

It is estimated that these two measures will bring in about 65 percent of the new revenues being sought by the governor. There is talk in the Capitol corridors that the governor's recommendation for an increased tax on beer and an oil tax will not get sufficient votes to leave the Assembly. If the governor withdraws these proposals, which I doubt he will do, it will be a balanced concession to labor on one hand, and business on the other.

After several days of heated wrangling the Assembly passed and sent to the Senate another administration bill to establish a \$1.25 an hour minimum wage for industrial workers and 90 cents for farm employees.

### WAGE LAW FOUGHT

Some farm and business organizations actively opposed the bill and they can be depended on to renew their assaults on the measure in the Senate, where a total agricultural exemption again will be sought. A delegation from the San Diego Tavern and Restaurant Owners Association visited my office last week to get support for their move to exempt restaurant and hotel workers from provisions of the bill.

The author contends that in view of the fact that virtually all industry in California pays wages well in excess of \$1.25 an hour the bill would be meaningless if it did not also apply to agriculture.

A bill to prohibit excessive installment credit charges was approved by the Senate Insurance and Financial Institutions Committee. The measure bans credit charges in excess of \$10 per \$100 and requires full printed disclosure of all terms of an installment credit contract.

There was a significant but little-noted roll call in the Senate last week. The upper house, by a 24 to 1 vote, gave final passage to a bill repealing a statute banning interracial marriages in California. This statute was held to be unconstitutional by the California Supreme Court in 1948 and bills to repeal it have been passed every two years since by the Assembly, but until this year all of these measures were killed by the upper house.

MOVES LAW OFFICE—Charles William "Bill" Brown, Jr., of 2245 McKnight Drive, Lemon Grove, has opened a law office at 8780 La Mesa Boulevard.

Attorney Brown has been associated with the law firm of Harleson and Davies. Prior to that he was staff attorney for Rohr Aircraft Corp.

Brown is a graduate of Stanford University and UCLA School of Law. He is past director of the La Mesa Junior Chamber of Commerce and is PTA president of San Altos School. A native of San Diego, he has resided in Lemon Grove since 1944.

His wife's name is Orpha and he has two daughters, 6 and 2-years-old.

## Two Area Firms Win In 'Brand Name Retailer-Of-The-Year' Competition

RECEIVES HONOR — Paul Howard, left, sales promotion manager of Walker Scott Company, which will be a major retailer in the soon-to-be-opened College-Grove Shopping center, receives a Certificate of Distinction in the national "Brand Name Retailer-of-the-Year" competition from Edward R. Taylor, executive vice president of Motorola, Inc., and chairman of the executive committee of the board of directors of Brand Names Foundation, Inc. Walker Scott Company was awarded honors in the Department Stores-Class II category for "outstanding presentation of manufacturers' advertised brands to the public during 1958." "Conover Girl" Charlotte Matthews looks on. The firm was among 140 in 26 retail categories of the competition honored April 15 at the Brand Names Week banquet in the Grand Ballroom of the Waldorf Astoria Hotel in New York City.

NEW YORK (Sp.) — Before an overflow audience, Walker Scott Company, major retailer at the College Grove Shopping Center and Brock Construction Company, 4409 Euclid Avenue, San

Diego, were honored as Certificate of Distinction award winners in the Department Stores—Class II and Home Builders categories, respectively, of Brand Names Foundation's eleventh annual "Brand Name Retailer-of-the-Year" competition.

Presentation was made at the Brand Names Awards Banquet in the Grand Ballroom of the Waldorf-Astoria Hotel in New York City, attended by nearly 1,500 key figures in government, industry and retailing.

Paul Howard, sales promotion manager of Walker Scott Company, and Ronald S. Brock, co-owner of Brock Construction Company, accepted the certificates awarded for the firms' accomplishments in presenting manufacturers' advertised brands to the public during 1958.

The awards, often termed "retailing's most coveted honors," are given to 140 outstanding firms in 26 categories of retailing. A plaque is presented to the top winner in each classification as the nation's "Brand Name Retailer-of-the-Year" in its field. Four Certificates of Distinction are also presented in 25 of the 26 categories, with up to 14 awarded in the Gasoline Service Stations class.

Following the impressive ceremony, the winners were congratulated on their achievements by John L. McClellan, United States senator from Arkansas, who delivered the keynote address at the banquet.

## School's Week Activities Are Outlined

Schools throughout the Lemon Grove School District will observe Public Schools Week from April 27 through May 1 with special programs and "open house" schedules. In recognition of an observance established 40 years ago by California Masons, the public is invited to visit its schools to increase knowledge and interest in education of California youth.

At Palm Avenue School a special tour is scheduled for parents and other patrons April 30, from 7 p.m. to 8:30 p.m. Along with visits to classrooms to observe materials and pupils' work, a play, "Pan American Week," will be presented by sixth grade students under the direction of Miss Beverly Snow, student teacher.

Golden Avenue School parents will attend "Open House" ceremonies April 28. Kindergarten through third grade will host from 7:00 until 8:30; grade four through six from 7:30 to 9:00. Visitors are requested to report to the cafeteria at Golden before going to classrooms. Along with Tuesday evening's activities classrooms throughout the week will welcome visitors during regular hours.

## U.S.-Long Beach National Banks In Merger

Merger of United States National Bank of San Diego and the Long Beach National Bank was announced last week by M. N. Wilson, president of the U. S. National Bank. A branch bank is located in Lemon Grove.

The merger, linking two of the southland's fastest growing banks, gives the combined organization deposits in excess of \$125 million and capital in excess of \$7½ million.

Management decisions will continue to be made at community level by local managers, Wilson said.

William B. Paul is Lemon Grove branch manager.

## Demonstrations, Exhibitions Will Mark 'Schools Week'

Mt. Miguel High School and its PTA will observe Public Schools Week with an open house at the school on the evening of April 30 from 7 to 9:30. After a brief opening session in the school cafeteria, guests will be invited to tour the campus visiting classrooms, watching demonstrations, and inspecting exhibits.

Physical education classes are planning demonstrations of what they teach and how they teach it. Scouts of San Diego Pyramid 32 of the Masonic Order, has selected Mt. Miguel High School as the school they will visit as a group during the Public Schools Week activities, which the Masons have sponsored annually since 1919.

The Mt. Miguel observance, planned by Melvin Grant, principal, and department heads, will follow themes of "A School a Year" and "A Growing Mind in a Growing School in a Growing Community."

Helix High School held a similar program April 2 in which a "Wall of Fame" was presented. The "Wall" consists of photographs of leading school athletes. Honors social studies classes presented a program.

Grossmont High School will postpone observance of Public Schools Week until May when the house being built by carpentry classes is open for inspection.

A Navy-built American science base at the geographic South Pole was dedicated by proxy from an airbase 730 miles to the north.

## Daughter Of Lemon Grove Couple Dies

Norma Crabill, 34, 3388 Bancroft Street, San Diego, daughter of Mr. and Mrs. Glenn Reynolds of 1606 Taft Street, Lemon Grove, died April 15 after a lingering illness.

Mrs. Crabill was on the women's staff of the defunct San Diego Daily Journal and was recently a staff member of the Southern Cross newspaper. She was secretary for the Old Globe Theatre group for three years.

In addition to her parents, she is survived by a daughter, Kathy, and two sisters, Mrs. Lois Spice of Chula Vista and Mrs. Ruth Farrel of North Carolina.

Services were held Saturday at Conrad's Lemon Grove Mortuary, followed by cremation.

## New Assessments Geared To Value, 'Fix' Breakfast Assessor Says

Assistant Chief Appraiser Wilson Thomson of the county Assessor's office, told the Men's Club Friday that the men who re-appraised Lemon Grove property would return with the records April 29.

This will give property owners a chance to discuss new appraisals with the Assessor's office prior to the time the records are turned over to county auditors.

The "open-records" session will be held in Lemon Grove at the Youth Center building at 3146 School Lane, from 9 a.m. to 7 p.m.

Thomson said the measuring stick for assessments is 25 percent of the actual market value. Generally, valuations are up, he said. He could give no estimate of the percentage of increase, however.

Another check and balance are the sessions held by the county Board of Supervisors when they sit as a Board of Equalization on the first to third Thursday in July.

Speaker this Friday will be Mervin L. Blum, general manager of College Grove Shopping Center, according to Jesse Lee, president. The club meets at noon at Michael's and all men are invited to attend.

## First Graders 'Fix' Breakfast

Breakfast became the most important meal of the day last week at Monterey Heights School when Mrs. Gladys Jones' first graders prepared and served themselves a meal that had been in the planning stage for weeks. Guests for the rare occasion were Arthur Thomas, principal; Mrs. Esther Mayes, school nurse; Mrs. Agnes Hallam, county art coordinator; and Mrs. Janice Schroeder, county music coordinator.

The breakfast was more than a lesson in nutrition for the pupils. The planning involved writing, spelling and numbers. How many eggs in a dozen? How many cups in a quart? How many boxes of cereal do we need to serve 45 people? How do you spell "cereal" and "breakfast?" These six-year-olds know the answers now.

Present also as guests were the following mothers: Mmes. F. L. Patton, W. C. Boucher, H. B. Eddy, N. F. Wylie, Q. E. Martin, H. A. Downer, and K. H. Combs.

## Job's Daughters Set Meeting Next Week

A meeting will be held Monday of next week at 7:30 p.m. in the Lemon Grove Methodist Church, Washington and Golden Streets, by the Lemon Grove Job's Daughters Mothers Club.

## LET US ALL PRAY TOGETHER AS A FAMILY

From the pen of E. Merrill Root come these lines:  
My soul's a new-fledged bird: it tries to fly—frightened—across the unseen fact of sky; forgetting, or not knowing, that the air—the Christ by which it flies—is everywhere."  
The Resurrection of Jesus means that in Him there is revealed to us the infinite power of God. Not only is it revealed, it is available. Man without God is like a bubble in the sea. God without man is like a mind without hands. But man and God together release untold powers of Goodness and Love into our world. "But to all who received him, who believed in his name, he gave POWER to become children of God." (John 1:12)

Doree attends Mt. Miguel High School and has been a resident of Lemon Grove for nine years. A small but outstanding field of contestants will compete April 29 at noon for the right to represent the Lemon-Grove-Spring Valley area in the 14th annual Fairest of the Fair and Miss Con-Tour Beauty Congress. The contest, sponsored by the Lemon Grove Kiwanis Club, will be at Michael's Restaurant.

Chairman Jack Durham said Doree Radici, 17-year-old senior at Mt. Miguel High School, is the latest candidate to sign up. She has brown hair, green eyes, weighs 130 lbs., and stands 5'7½" tall. She is Associated Student Body Commissioner at her school.

The local winner will receive a swim suit, a trophy, cosmetics and will make a personal appearance on KFSD-TV (Channel 10). The contest will be filmed and telecast May 7 at 12:30. The countywide contest will be held May 31.

## Swim Club To Add Pool

A new \$25,000 pool, doubling the membership and swimming capacity, will be built at the Carman Ranch Club, 2515 Sweetwater Road, starting immediately, according to Mrs. Elda Carovano, club secretary.

The new pool, the same size of the one now in use, will be 25 feet by 82 feet. The new pool, however, will be used strictly for swimming. Its depth range will be from two to five feet. Diving activities will be carried on at the present pool.

The new pool will be directly at the rear of the present one on the club's five acres. With the new pool, Mrs. Carovano said, about one-third of the club's acreage will be utilized. Eventually all the club's land will be developed. She said a playground for youngsters is being built simultaneously with the new pool. The new pool facility will be primarily used by youngsters, she said.

## Miguel Nine In 3-Way Lead Tie

by BILL OTT

Mt. Miguel High's baseball team last week was thrown into a three-way tie for the lead in the Metro loop by defeating the league's leading team, the Escondido Cougars, 12-7 on the Cougar diamond after losing to the Grossmont Foothillers 12-4 on the Foothiller diamond April 14.

The Matadors jumped off to an early start in the game against the Foothillers but could not stop the Grossmont hitting attack. Late in the game, after a called strike dispute, the Miguel coach, Walt Gehrke, was ejected from the game along with two Miguel players who were thrown out for

"bench jockeying." Another Mt. Miguel coach, Merle Smith, took over the coaching chores for the Matador nine.

Mt. Miguel handed Escondido its first Metro defeat Friday by getting to the Cougar pitchers for 12 runs. The victory put Miguel in a three-way race for first place with Chula Vista and Escondido. All teams have a 4-1 record in league play. Jerry Lipscomb's homerun and John O'Connor's double paced the Mt. Miguel victory.

The Mt. Miguel track team trounced the Escondido track team 83-21 on the Miguel oval Friday. Miguel took first place in all events except two—the mile run and the high jump.

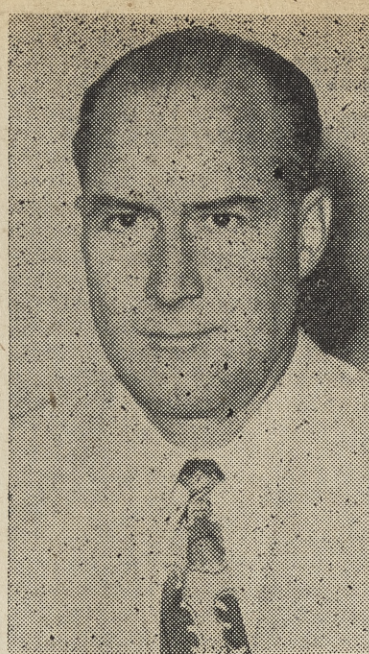

The Matadors' junior varsity baseball team collected two victories last week. On April 14 they ran over the Grossmont JV 14-2 on the Miguel field. Pitcher Ron Scagliotti yielded three hits to the Foothillers. Friday the MM junior varsity dumped Escondido JV 10-1 on the Miguel diamond.

## Leitch Named Member Of Real Estate Panel

Art S. Leitch, realtor, who has an office at 3311 Imperial Avenue, here, has been selected by the California Real Estate Association as a member of a six-man panel of specialists to address realty boards throughout the state in conjunction with Realtors Week.

Leitch already has appeared in numerous California cities and is scheduled to speak in Visalia April 27; Burbank, April 28 and Santa Monica on April 29. He will attend the panel discussion to be held here under auspices of the San Diego Realty Board on April 30.

At each of the cities, Leitch, a past president of the San Diego Realty Board, and a past vice president of the California Real Estate Association, has spoken on the expansion of real estate services through the development of cooperation and team work between realtors, it was pointed out.

OFF TO SCHOOL — Earl F. Keyes, 2329 DiFoss Street, Lemon Grove, sales representative for Investors Diversified Services, is attending a sales training conference conducted by the company in Minneapolis this week.

Keyes said, Investors Services is the largest of its type in the world. It has assets under management in excess of \$2.8 billion. It has 3,000 trained men serving 900,000 customers.

Keyes joined the firm in June last year and serves customers in Lemon Grove and Spring Valley.

## This Week In The State Assembly

By MRS. SHERIDAN HEGLAND  
Wife of Assemblyman Hegland

The best way to learn a foreign language is to go live with the natives. The same thing holds true for learning about state government. During the last three months I have been in Sacramento, during the Session there has never been a single waking hour, anyplace, but that the Capitol has intruded.

Fortunately I have a certain amount of deafness and I can turn off my hearing aid. On such occasions I hole up in our apartment in seclusion and quietly mull over what I have seen and heard and reflect and try to reach understanding. Like I am doing now.

Wherever I go with Sheridan, within two minutes of our arrival somebody asks him, "What do you think of AB 3456? What's your opinion of SB 489?"

To me it seems like having to memorize several thousand license plate numbers, being required to remember the make of car which goes with each, its color, its condition, its mileage, its original price, its resale value, who below the age of 21 drives it, how much is the insurance, should it be turned in for a new model or kept another year.

With already over 3,000 bills introduced (and who knows how many more before May 5, the closing date for bill introduction) the men are all becoming walking encyclopedias.

SMALL TALK IGNORED  
Upshot of all this is that I no longer become hurt when Sheridan seems completely disinterested in my small talk. I figure a mind can only hold so much. So, well, most of the time I hold my tongue.

Committees are now holding hearings at night as well as in the afternoon. The other evening I went over to the Capitol with Sheridan and worked in his office until I noticed the time: ten o'clock. I assumed that he had probably "forgotten" and had gone home alone. To check, before lighting out myself, I went up to the hearing room. There was Sheridan with the other bearded members up on the dais.

One man, whose wife always has to borrow ashtrays before having a party in her home, was chairman, Ted Arrington; secretary, Mrs. Betty Schroeder; historian, Tom Howard.

Also publicity, Mrs. Bette Welbaum; ways and means, Carmen Ursillo; parliamentarian, Mrs. Belma Middleton; and coordination of construction facilities for the stadium, John O'Connor and Philip Titmas.

Tickets may be reserved or purchased from Mrs. Thomas Welbaum, HO 9-3007.

I turned up my hearing aid and

## Writers Club To Meet Next Week

The La Mesa Writers Club will meet Monday of next week at 1:30 p.m. in Porter Hall (old La Mesa Library), University Avenue and La Mesa Boulevard. The meeting is open to all persons interested in creative writing and membership applications are now being taken, according to Luther Smith, president.

Entries for the poetry contest should be turned in at the Monday meeting, deadline day. Manuscripts will be read at the meeting and plans for the coming year will be discussed.

the murmur broke into its component parts: Yes, that's right; No, no, no; Oh, the liar. Get up there and tell them, Joe. Not now, Harry, wait. That's true. That's a lie.

LIKENEED TO JURY  
As soon as one witness took the stand another rushed up to his side to contradict him. Figures and philosophy and fantasy all merged into an incomprehensible charge and counter charge.

Suddenly I realized that the men up on the platform were not so much members of a committee as members of a jury. They were supposed, on the basis of this contradictory evidence, to bring in a verdict.

At 11 o'clock, the chairman took one look at his haggard colleagues, banged the gavel and brought the matter to a vote. In the hush which followed the roll call the woman seated next to me kept whispering, "Oh dear God, thank you. Oh dear God, thank you."

I very nearly started to cry. For whom I don't know. The victors, the vanquished, or the poor guys up front having to make the decision?

All hearings are covered by the press. But no news stories were sent out about the one I attended. The bill under consideration was so "minor" that it wasn't newsworthy.

EACH BILL IMPORTANT  
The frightening enormity of government is this—each of the thousands of bills has its own vital import for some Californians someplace in the state.

Never again will Sheridan leave mornings without a substantial breakfast even if I have to forget my understanding silence and yell him into eating. When the Assembly goes on call, each member must be present and the doors are locked to see to it that he stays there. The session starts at 9:30 a.m. Tuesday, April 7, it went on call and the members were locked up until 2:30 p.m. Lunch? Not a bit of it.

If a legislator isn't talking about a specific bill he is apt to be discussing ways to bring the legislative process home to the people of the state. One man is finishing a report which will suggest that the session be held in various places in California. Under the plan, the Legislature would meet a few weeks in San Diego, then move up to Los Angeles, then to Fresno, then to San Francisco, then to Sacramento.

PAPER CONFINES CAPITOL  
Having toured the State Printery, which works day and night printing the bills, daily files and daily calendars, I feel that his scheme probably wouldn't work. Depending so much on paper, the Capitol seems pretty well tied down here.

Another suggestion is that all the bills be sent to all the newspapers in the state and run as legal advertising. This, I think, is a good idea if someone could figure out a way to supply the publishers overnight with the amendments a bill picks up daily. Depending on your viewpoint, what may be a "good" bill today is a "bad" one tomorrow when it is hamstrung with amendments.

At this point I shall prove conclusively that I have become a "native." I have reached the end of my comments. This whole matter of government is so vast and so involved that I shall reach no conclusion. Instead I will use the good old Sacramento dodge of referring the whole thing to an interim committee for further study. In other words, to you.

### PLAIN OR FANCY?

We can almost never categorize any food as "just plain" or "just fancy", since this depends largely on what we do to the food during its preparation, and what is fancy to one family is every-day fare for another. Fried chicken can certainly be cooked as plain or as fancy as we choose to make it, as evidenced by the fact that one of this year's new cooking manuals offers 176 ways of preparing a chicken, about half of which are labeled "special" or "deluxe". But to most of us certain foods that we don't cook every day, or which are specialties because of supply or geographical location, are often labeled "fancy". When these foods are made available to us we do enjoy using such specialties. Our "Plain and Fancy" Poultry Guide this week contains both simple and exotic ways of preparing Pheasant, Beltsville Turkeys, Rock Cornish Hen, Roasting Chicken, Goose, Duckling, Guinea Hen and Rabbit. Be sure to get your free copy at the turnstiles or meat departments.
